## **SAVE THE DAY – SEPT. 27, 2008**

### **A SOLV Trash Pick Up Project to Keep Oregon Beautiful**

The Problem: With increased population, the physical beauty of Central Oregon is at risk because of the growing accumulation of trash in our neighborhoods and along our streets and highways.

The Solution: To work together to raise community awareness, and remove our trash.

The Strategy: The Stash R Trash September project will increase awareness of the problem and provide a yearly opportunity for volunteers to pick up trash.

Saturday, September 27<sup>th</sup>, 2008:

Who: Volunteers from the community and organizations with a stake in keeping Central Oregon beautiful -- Neighborhood Associations, Realtors, community service organizations (SOLV, RSVP, etc.), churches, interested governmental agencies/departments, builders, businesses, public services agencies, local clubs and so on.

What: Pick up trash with arm extenders along assigned route.

When: From 10:00 am to 3:00 pm on Saturday, Sept. 27<sup>th</sup>, 2008

Where: Meet at Wal-Mart (South Bend) or Lowes (North Bend) parking lots to learn safety rules, pick up trash bags and arm extenders.
