

Southeast Bend Neighborhood Association Minutes

June 17, 2009

Call to Order:

The meeting was called to order at 7:10 p.m. Members in attendance were Dick Selby, Ron Garland, Maureen Schlerf, Kathy Leming and Kristi Erickson. Due to a technological glitch the minutes were not read.

Treasurer's Report:

Maureen reported that we have \$555 in the account at this time. This does not include the \$384.34 for the printing of the postcards. The budget expires at the end of the month.

Land Use Report:

Ron reported to the group about an individual that is interested in developing the Southeast corner of Murphy road and Parrell road. He wants to have four townhouses built. Ron informed us that this individual is not going through the proper channels. Ron is going to follow up with the city. There is an original letter on file with Ron from this individual. According to Ron the city code states that a developer must get approval from a neighborhood association before this process begins.

The Murphy road project is still slated to move ahead at this time. There is a possibility that the round about at Murphy and Parrell could be cut.

Bend Parks and Recreation Report:

There was not a report due to Ellen's absence.

TSAC Report:

There was not a report due to John Alkire's absence.

The meeting was adjourned at 8:00 p.m.
