Call to Order

The meeting was called to order at 7:10 p.m. The meeting was held at the South Bend Fire Station. The members attending the meeting were, Dick Selby, Harold Anderson, Ellen Glasgow, and Kristi Erickson. We did not have enough members present for a quorum.

We did not read the minutes of the March meeting.

General Neighborhood Issues

There has been a 17% budget cut. It is hard to tell what will happen with the budget in the future due to the problems with the city budget. Some other neighborhood associations have corporate sponsors. We have had ServiceMaster as our sponsor, but they will also be cutting back.

The council has tentatively scheduled to have a town meeting at our general meeting in October. We are looking at October 14th or October 28th. We will hold off booking the school until we have a solid date.

Murphy Road is still slated to go ahead. It is one of the priority projects coming up.

Susie Lavisco contacted Harold about Fire Free materials that we could use. We have one truck that will be in Mountain Pines. If we need another trailer, we need to notify Harold. It will be held May 2, 2009. The dump will have free weekends May 2nd and May 10th.

The Bend Police Citizen's Academy has 25 members and the Sheriff's Academy is completely full. There is a 4-hour course being offered on how to skid safely. The course includes practice in a real skid car.

Land Use

Ron has a contact from The Back 9 Golf course in Mountain High. They want our approval to have a beer and wine license. All in attendance were in favor of this. We will discuss it again when we have more members.

Budget Report

Maureen reported to Harold that we have \$892.93 in the budget at this time. This money has to last until June 30th. She still has not received the billing for our most recent mailing. She met with the city and looked at their budget records. We will be postponing any commitments at this time until we are sure about the budget.

Adjournment

The next meeting will be held on the third Wednesday in May.
